Work culture is changing all the time. Every work environment has different and specific needs. With a track record of delivering transformative, functional experiences across the world, we are dedicated to advancing brands' messages and vision by creating the right solution for any organization.

Learn More >

NFC Enclosure

Enclosure with embedded Near Field Communication (NFC) add-on. Ideal for registration, logging in, payments, verifying identities and much more.

The NFC Enclosure was made for a school, to allow children to register using a chip. Attendance is clearly communicated throughout the organization, and the tablet allows the team to be informed with data concerning the children's care.
