Secure Mounts for Tablets & Devices

Everyday Connections, Enhanced

About Us

Compulocks is the leading design manufacturer of IT hardware security and tablet display solutions for businesses and across industries.

With an in-house R&D team and an understanding of every work environment's needs, we provide our clients with high end customer specific products that elevate their work, operations, and communications.

Quality Assurance

Durable materials for long-term usage

Security Experts

Creating security solutions for over 10 years

International Service

Operations in North America and Europe serving the world

Fortune 500

Chosen by companies from start-ups to Fortune 500

DESIGNED FOR PEOPLE, ENGINEERED FOR PERFORMANCE

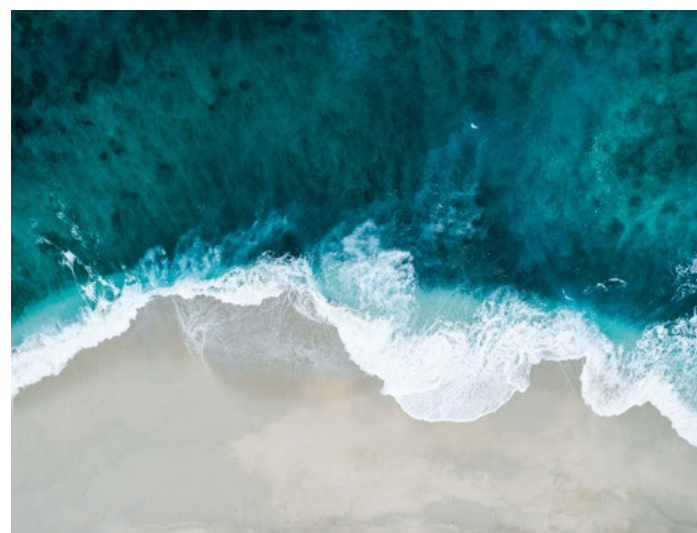

Practical, secure products that streamline workflows and protect devices in any environment.

We Went ECO

Compulocks is committed to sustainability and recognize our responsibility to minimize our environmental impact. Our goal is to create innovative and secure solutions for our customers while ensuring our operations are conducted in a sustainable and ethical manner. This policy outlines our commitment to sustainability across all aspects of our business.

Our Renew & Recycle Program

Our Renew & Recycle Program empowers customers to return their end-of-life products, ensuring responsible recycling and repurposing.

80%
of the materials from returned products are **either recycled or repurposed**

Renew & Recycle

Stage 1

Contact Us

Email eco@compulocks.com

to get your free shipping return labels.

Stage 2

Send & Disassemble

Ship us your products, and we'll disassemble and sort materials.

Stage 3

Recycle Responsibly

Partnering with recycling companies, we ensure all parts are sustainably recycled.

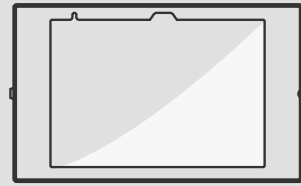

Stage 4

Greener World

Together, we create a more sustainable future.

How Do You Want to Mount Your Tablet?

All Compulocks tablet holders pair seamlessly with our floor, wall, or counter displays to suit any device or setup. Create your ideal combination from our versatile options.
